

Nominations and Elections for CTFU Board of Directors

The Nominating Committee has selected individuals from the Carolina Trust membership as nominees for Board of Director vacancies based on their qualifications and willingness to serve. Below are descriptions for each of the nominees.

Members who are qualified, interested in serving and are not among those nominated by the Nominating Committee may have themselves nominated by petition. The petition must be signed by one percent (1%) of the total membership (393). Official petition forms are available at the Credit Union's Myrtle Beach branch, located at 1010 21st Avenue North, Myrtle Beach, SC 29577. The Nominating Committee must receive petitions no later than February 17, 2023.

The election will not be conducted by ballot when there is only one nominee for each position to be filled. If there is more than one nominee for any Board position to be filled, provided by the Nominating Committee or by petition, then an election will be conducted by ballot at the Annual Meeting held Thursday, March 30, 2023. Nominations will not be taken from the floor.

All nominees, including those by the Nominating Committee and by petition, must submit a brief statement of qualifications and biographical data. This should include name, occupation, educational background, work history and other activities such as civic and volunteer experiences. Nominees must also include a signed statement agreeing to their nomination and to serve if elected to office.

If you have questions about the nomination procedures or would like more information, please contact the Credit Union at (843) 448-2133. The operator will ask for your contact information so the Chairman of the Nominating Committee or Chairman of the Board may return your call.
