carolinatrust.org • 843.448.2133

This credit union is federally insured by the National Credit Union Administration.

A Better Way of Banking

Carolina Trust Federal Credit Union began as Myrtle Beach Air Force Base Federal Credit Union in 1958. We are a unique not-for-profit financial cooperative, and we return credit union profits to our membership through competitive rates, consumer friendly terms, low fees, innovative services, and personal attention. Membership is open to individuals and business owners who live, work (or regularly conduct business in), worship, volunteer, or attend school in Horry, Georgetown, Marion, Williamsburg or southern Florence County (south of Lynch's River), South Carolina or Brunswick County, North Carolina. Relatives of members and business owners are also eligible to join our Credit Union.

Deposits at Carolina Trust are federally insured by the National Credit Union Administration (NCUA). This U.S. Government agency federally insures deposits and certain retirement accounts to at least \$250,000. According to the NCUA, "Not one penny of insured savings has ever been lost by a member of a federally insured credit union." It is one of the strongest federal deposit insurance programs in the United States.
